

DOCUMENT TYPE: Structural Drawing
DRAWING NO: DMV7-STR-P42-001
REVISION: Rev 1
DATE: 01-Jun-2019
PROJECT: Delhi Metro Viaduct Package DMV-7 (fictional)
STRUCTURE: Pier P-42

REVISION NOTES:

Revised per findings of Geotechnical Report GEO-DMV7-P42-011 dated 02-May-2019 (soft clay pocket, depth 6.5m-8.2m). Reinforcement cage at pier base modified: additional 16mm dia bars added at 150mm c/c in the lower 3m of the pier shaft, superseding Rev 0 (DMV7-STR-P42-001, dated 10-Mar-2019).

Estimated additional reinforcement quantity: approx. 2.8 tonnes.

Prepared by: Design Consultant, Structures Team
Approved by: Chief Structural Engineer
Note: To be implemented per forthcoming Site Instruction.
