

DOCUMENT TYPE: Approval / Certification Letter
LETTER REF: ENG-DMV7-0221
DATE: 20-Jul-2019
FROM: Engineer's Representative
TO: Contractor

SUBJECT: Certification of Additional Reinforcement Work – Pier P-42 (SI-088)

We confirm that the additional reinforcement work at Pier P-42, instructed under SI-088 dated 10-Jun-2019, has been executed in accordance with Revised Drawing DMV7-STR-P42-001 Rev 1, and jointly measured per MB-DMV7-P42-06 dated 10-Jul-2019 (quantity: 2.75 tonnes).

This letter certifies technical completion of the physical work. Valuation and payment shall be processed separately in accordance with the Contract upon submission of the Contractor's detailed cost buildup, which remains outstanding as of this date.

Signed: Engineer's Representative
